

THE MANIFEST

December 2016

By the time you all receive this, it will be next year! Lol, well like Monday, but that is next year! I hope you all had a wonderful Christmas and I wish everyone a Happy New Year filled with lots of happiness and love, and trains, do not forget trains. ☺

I was down with walking pneumonia during our last meeting in December, but the elections took place and Allen Dobney is now our National Advisor, as E. Don wanted to step down.

I am looking forward to the New Year, and our new season. We had an awesome season last year, and I am confident this year will be even better.

If you have not yet paid your dues, please get that in to Jerry ASAP. He was hoping to have them all in by end of December, but that is not always possible, so please pay them as soon as possible. Jerry sent out renewals, and he would like you to send the renewal page with your dues. If you did not receive yours for some reason (as I did not, Lord knows why) please let Jerry or me know. You will find all of the contact information at the end of the newsletter.

BOARD OF DIRECTORS MEETING
10/11/16

Sorry guys, I had pneumonia and was not at the meeting to take minutes. It did however take place and, as mentioned above, the elections took place. The only change being Allen Dobney as our National Advisor. Thank you Allen for your willingness to do that, in addition to everything else you do for our group.

UPCOMING CHAPTER EVENTS

Our entertainment for the January 10, 2017 meeting is a history of the McCloud Railroad! This show sounds so interesting, and Larry says it is very well done. Allen Dobney will be presenting the show, courtesy of Larry Tuttle, who asked and was graciously granted permission by the show's producer, Jeff Moore to use at our meeting in January. Hope to see you all there; I am very much looking forward to the start of the New Year, and this show in particular.

If you know of any other events that should be added to our newsletter, please email, me at chrismanleysteam@gmail.com / call, (541-291-1705), with the details.
